FUEL FILTERS

2019

ATTRIBUTES & ADVANTAGES

Fuel filters by RIDEX are intended to strike a delicate balance between filtration effectivity, longevity, flow management, and compatibility of materials. They are therefore built with original parts and the necessary installation in mind.

FUEL FILTERS FOR ANY VARIANT OF FUEL INJECTORS

- Attachment directly to the fuel line allows for compatibility with other protective devices.
- Tube type fittings match all types of fuel lines.
- Provide ideal fuel filtration.
- Conceived to resist intense pressure from fuel injection systems.
- Phenolic impregnated filter media for greater longevity, efficiency, and stability.
- Easier mounting with an assortment of fittings, including O-ring, tube, and quick connect.
- Special coating for inner end plates that repels contemporary fuel types, protecting the parts.

FUEL FILTERS FOR TOP CAR BRANDS

At Ridex's Berlin headquarters, we design and build car parts that match the exact fit and function of the vehicle's factory-fitted parts. The extensive research carried out by our engineering department allows us to manufacture the most in-demand parts for European, American, and Asian cars.

THE RIDEX GUARANTEE

RIDEX guarantees that every part in its range is produced using high-quality materials which comply with technical requirements and original equipment (OE) standards.

With the purchase of any RIDEX product, RIDEX grants the consumer a limited 2-year guarantee from the date of installation, during which time RIDEX agrees to examine, repair and/or replace the purchased spare parts.

The consumer should examine the RIDEX product thoroughly upon purchase or delivery. If they find the RIDEX product to be defective or flawed, they must submit a guarantee claim to the RIDEX product dealer they purchased the product from.

THE CONSUMER SHOULD PROVIDE THE FOLLOWING WHEN THEY MAKE A CLAIM:

- ///** The complete RIDEX product in its original packaging.
- ///** Proof of purchase/payment receipt.
- ///** A detailed description of the defect/flip with the date of installation and a document proving the mileage of the vehicle at the time the fault was discovered.

THE GUARANTEE DOES NOT COVER OR MAY BE VOID IN CASES WHERE:

1. RIDEX products are damaged due to incorrect installation by the consumer or a third party.
2. RIDEX products are modified or altered by the consumer or a third party.
3. The consumer purchased and installed a RIDEX spare part that was not compatible with their vehicle.
4. RIDEX products are used inappropriately or are used for functions other than their intended purpose.
5. RIDEX products are used in a manner that does not comply with the requirements and recommendations provided by the manufacturer of the spare part and/or the car manufacturer.
