

The Ridex logo is displayed in a bold, white, sans-serif font. The letter 'E' is stylized with three horizontal bars. The background of the entire page is a grayscale photograph of an engine compartment, with a hand in the upper right corner holding a large, cylindrical oil filter. The filter has a ribbed body and a dark, multi-ribbed top cap.

**OIL  
FILTER**

**2019**

## OIL FILTER

P04 steel casing.  
Thickness between 0.5 and 0.7 mm.

Helical crimping.  
Hinex system inner pipe.

Filter media 140 g/m<sup>2</sup>.  
Permeability 580 l/m<sup>2</sup> sec.

Multilevel seals.

DD13 threaded steel base plate.  
Thickness between 3 and 7 mm.

Front seal. Thermal  
resistance of 120°C to -35°C.

# ATTRIBUTES & ADVANTAGES

Oil filters by RIDEX are conceived to remove undesirable particles while minimising the impact on flow. Clever design and durable metallic housing provide RIDEX oil filters with protection from varying oil pressure and outside influences.

Optimal scrubbing of impurities from lubricants extends durability and heightens output of the engine.

## **CAPACITY FOR UP TO 13 GRAMMES\***

Can hold up to 13 grammes of contaminants, protecting the engine.

## **HIGH COVERAGE (98% OF VEHICLES)**

Compatibility with European, American, and Asian vehicles ensures that it can be used in most contemporary vehicle types.

# OIL FILTERS FOR TOP CAR BRANDS

At Ridex's Berlin headquarters, we design and build car parts that match the exact fit and function of the vehicle's factory-fitted parts. The extensive research carried out by our engineering department allows us to manufacture the most in-demand parts for European, American, and Asian cars.

# THE RIDEX GUARANTEE

RIDEX guarantees that every part in its range is produced using high-quality materials which comply with technical requirements and original equipment (OE) standards.

With the purchase of any RIDEX product, RIDEX grants the consumer a limited 2-year guarantee from the date of installation, during which time RIDEX agrees to examine, repair and/or replace the purchased spare parts.

The consumer should examine the RIDEX product thoroughly upon purchase or delivery. If they find the RIDEX product to be defective or flawed, they must submit a guarantee claim to the RIDEX product dealer they purchased the product from.

## THE CONSUMER SHOULD PROVIDE THE FOLLOWING WHEN THEY MAKE A CLAIM:

- ///** The complete RIDEX product in its original packaging.
- ///** Proof of purchase/payment receipt.
- ///** A detailed description of the defect/flip with the date of installation and a document proving the mileage of the vehicle at the time the fault was discovered.

## THE GUARANTEE DOES NOT COVER OR MAY BE VOID IN CASES WHERE:

- 1.** RIDEX products are damaged due to incorrect installation by the consumer or a third party.
- 2.** RIDEX products are modified or altered by the consumer or a third party.
- 3.** The consumer purchased and installed a RIDEX spare part that was not compatible with their vehicle.
- 4.** RIDEX products are used inappropriately or are used for functions other than their intended purpose.
- 5.** RIDEX products are used in a manner that does not comply with the requirements and recommendations provided by the manufacturer of the spare part and/or the car manufacturer.
